

POVZETEK NAŠEGA SESTANKA NA DUNAJU

Spoštovani g. Cekuta,

Zahvaljujem se vam za priložnost, da sem se srečal z vami na Dunaju in za skupen sestanek, ki smo ga imeli glede načrtovanja bodočih aktivnosti.

Vaš povzetek je zelo dober in zbrano je vse, o čemer smo se pogovarjali na Dunaju. Za nadaljnje korake pri sodelovanju pa predlagamo naslednji pristop.

Slovenija: Mi naj bi nadaljevali določene korake, kot je načrtovano na sestanku. [REDACTED]

[REDACTED] Nato se lahko dogovorimo o določeni kompenzaciji stroškov. Začetek in sprejem za cel projekt bo sestanek s PM, ministrom za obrambo in gen Zupanom.

Hrvaška: Za nekaj časa naj bi ostali v »stanju pripravljenosti«. Po nekaj mesecih, recimo v treh mesecih, pa bomo bolje poznali vsesplošno situacijo in naš položaj v tem projektu. Potem bo Patria v stanju, da planira naslednje korake. Vendar pa vidimo, da imate odlično mrežo za podporo našemu prizadevanju v hrvaškem projektu, vendar, počakajmo malo.

Srbija Črna Gora. Splošno mnenje v Patrii je, da dokler so mirovne sile v južni Srbiji/Kosovu, toliko časa ne bo nobenega večjega projekta. Tako še ne vidimo nobene nujne potrebe za aktivnosti.

Prosimo za vaš komentar na zgoraj povedano v primeru, da smo kaj narobe razumeli ali če je kakšen razlog za podrobnejše pojasnilo.

V vseh pogledih upamo na sodelovanje z vami in smo prepričani, da bomo dosegli rezultate s skupnimi močmi.

Lep pozdrav,

Reijo Niittynen

Spoštovani g. Niittynen,

Predlagam naslednji pristop:

Slovenija:

Z nekaterimi koraki nadaljujemo, tako kot je bilo načrtovano na sestanku na Dunaju, 28.10.04. Politični inženiring z mejniki, ki ga pripravljamo skupaj z g. Riedlom. 5.okt. je bil sestanek z g. Zupanom (dolgo popoldansko kosilo), kot smo načrtovali in potrjeno je bilo moje poročilo o sestanku na Dunaju 28.10.04. Na strokovni ravni ob podpori več oseb iz MO je načrtovanih 135 vozil, od tega 25 v letu 2005. Kandidat za ministra za obrambo je g. Matjaž Šinkovec, to bo potrjeno v prihodnjem tednu. G. Riedl ni bil na tem sestanku, vendar smo ga poklicali po telefonu med sestankom z g. Zupanom.

Sestanek s PM, ministrom za obrambo in gen. Zupanom sredi decembra 2004 bo potrjen po kompenzaciji kot je bilo dogovorjeno.

Kot smo se dogovorili z g. Riedlom, bo potrebno podpisati pogodbo med Patrio in menojo pred tem sestankom.

SUMMARY OF OUR MEETING IN VIENNA

DATE: Nov. 2nd 2004

Dear Mr. Cekuta

Thank you for this opportunity to meet you in Vienna and for the joint meeting we had for planning the future actions.

Your summary file is very good and it is compiled just as we discussed in Vienna. For the next steps in cooperation we propose the following approach.

Slovenia: We should go ahead in certain steps as planned in the meeting.

This means the action plan for political engineering with milestones that

you will prepare with Mr. Riedl. After that we can agree about a certain cost compensation. Kick-off and acceptance for this whole project will be

the meeting with PM, Minister of D and with Gen Zupan.

Croatia: We should stay in a "stand by position" for a while. After some

months, say in three months time we know better the overall situation and

our position in the project. After that Patria will be in a position to plan the next steps. However we see that you have excellent network to support our effort in the Croatian project but let's wait a little bit.

Serbia MN. General understanding in Patria is that as long as there are peace keeping forces in southern Serbia MN/Kosovo, there will not be any

major project. Therefore we do not see any urgent need for actions yet.

Please give your comments from the above in case you see any

misunderstandings from our side or any other reason to clarify more.

In all terms we are looking for cooperation with you and we believe that we will gain results by joining our forces here

Best regards
